    <h5 class="card-title">SYNOPSIS</h5>
    <p>The episode started on a fictional small town in Hawkins, Indiana, that is plagued by a hostile
    alternate dimension which is known as "Upside Down". This "Upside Down" caused Will Byers to be stuck
    in the alternate dimension, which caused problems for his family and friends. This peculiar incident
    starts a chain of events such as involving secret experiments, terrifying supernatural forces and one
    strange little girl.</p>
